Project Details

In 1,000 words or less, briefly describe your LitTAP Advancement project. Be sure to indicate impact on new and existing audiences, if applicable, and include measures of success that demonstrate fulfillment of your project goals:

Project Funding

Were regrant funds expended according to the original project budget?

Please explain any variance, verifying project total cost and amount of grant funds used:

Original project cost per budget:

Did the Advancement Regrant or Mentoring help you secure any new or additional funding?
If yes, cite funding source and describe briefly.

Individuals Benefitting

Total individuals benefitting: Number of Artists: Number of Youth:

Note: Since regrant and mentoring support impacts overall organizational capacity, the number of individuals benefitting from your Advancement regrant or mentoring may be the same as the stats you used for your overall organization in your NYSCA application.

Testimonial

Why was the Advancement Program valuable to your organization, and why should Advancement be strongly supported moving forward?

Please provide consultant contact info if you engaged one and would recommend them to others:
